Women's Distinctive Fall Frocks

of CANTON CREPE and CREPE DE CHINE
in a Special Collection Monday
at 39.50

The Frock at the right is an excellent example of the effectiveness of monkey fur on Crepe de Chine. The long skirt panels boast three rows of the fur, and the cape effect is achieved by panels also banded with fur. In black only. Sizes 34 to 42.

The Frock at the left has its entire body tucked in squares. The tucked sleeves take a box-pleated cuff, and the skirt is box-pleated too. This model is particularly adapted for the tall, slender figure. Sizes 34 to 40.

The Frock in the centre is a dressy affair of Crepe de Chine, straight of line, with the draping at each side of the waist held by a jet buckle. The "Jenny" sleeves are of Spanish lace. Sizes 36 to 44.

All are offered at 39.50
Each is an exceptional value!
